You must agree that in the current climate product marketing is essential but can be expensive, so with this in mind, let me have a moment of your time, and introduce you to our basic sponsorship rates which in today's market are highly competitive.

If you Advertise in monthly Engineering magazines it will cost £500+ / month for a Quarter page advert. That's £6000 / Year.

The main levels of sponsorship we offer are listed below.

1. Site Sponsor, Sponsor on the Inside of the Home Page and all Level 2's. (125 x 125 banner and 120 x 60 Bottom Scrolls). Starting at £54 & £27/month.
2. Level 1 Sponsor, Sponsor on home page, left or right hand side of Page (120 x 90 and 120 x 60 banners available) Starting at £40/month.
3. Level 2 Sponsor, Sponsor on second level, left or right hand side of Page (120 x 90 other banners available on request). Starting at £28/month.
4. Level 3&4 Sponsor, Sponsor on 3rd and 4th Level, left or right hand side of Page (120 x 90 other banners available on request). Starting at £24/month.
5. My Favorite Page Sponsored link on the Browser's "My Page" The amount of these available is dependent upon the No. Members we have registered and our aim is to make it so, should all our browsers log on at once you will have at least 100 viewings and where possible these will be user related. Starting at £8.50/month.

All the above come with Free Contact Detail Listing, Free Business Card entry, and a level of
